

**SECRET**

**NOT TO BE TAKEN ASHORE ON D-DAY**

**RESTRICTED IN COMBAT AREA**

5<sup>th</sup> MARINE DIVISION  
LANDING INFORMATION SHEET

---

---

Instructions:

One copy of this sheet will be issued to each individual of this command. Individuals to whom issued will record the data indicated by questions hereon, under immediate supervision of squad and platoon leaders.

Officers in command of troops will be responsible for issue of this sheet and preparation of information for the men under their command.

---

What equipment (other than individual equipment)  
am I responsible for taking ashore?

Name of squad leader?

When and where am I to form with my boat group?

Name of officer(s) of NCO(s) under whom my  
detail will operate?

How and when will my boat group be called  
ashore?

Name of boat team commander?

What route do I follow to get to my debarkation  
station?

Name of assistant boat team commander?

Name of platoon leader?

What is the number of my debarkation station?

My boat group will disembark from:

Net number?

Port or starboard?

Time?

What is my assigned (boat) (LVT) number?

Do I transfer to another landing craft en route to the beach? If so, what type?

What wave am I in?

What time does my wave hit the beach?

What is my job upon hitting the beach?

What is the initial location of Battalion aid station on the beach?

At what point and on what beach does my detail land?

What is initial objective, zone of action, assembly area, destination for my squad, platoon or company ashore?

What unit is to be on my right? Left?

What do I do with any prisoners I capture?

What do I do with any documents or material that I capture?

If the word is passed to abandon ship, what is my station?

Other remarks pertinent to my detail?
